At Better Life Kids, we focus on four main “wins” for your child as they learn and grow from infants to 5th grade:

1. **I am loved at church.** From birth to 5th grade, we strive to show your child love by building a relationship with them and creating the safest environment possible for them. It's through the love from God's people that even our babies begin to learn about God's love for them!
2. **I have fun at church.** Kids learn best while they are having fun! Through themed environments, fun activities, and engaging Bible stories & worship, it's our goal that your child begs you to bring them back to church week after week!
3. **I learn God's Word at church.** Our nursery kids begin to learn God's word in small “Need to Know” Bible truths with motions. As they move into Preschool, they learn longer Bible Verses and age-appropriate Bible Stories! Once they move to Elementary, the focus turns to life-application. A Bible Story isn't over until a child knows what to do with it. It's not just about Bible knowledge, it's about knowing what to do with the Bible Story they've read and how it applies to their everyday lives!
4. **I can follow Jesus.** As kids begin to learn more about God's plan for their lives, we encourage them to take their own steps of faith in following Jesus through Salvation and Baptism, as well as growing in their faith through reading their Bible, praying, and inviting others to church.

youth

Have you ever wondered where to start teaching your students Biblical truths in the stage of life they are in? Our mission is to help middle and high school students follow Jesus so they can experience a better life. Youth is FOR students.

Youth is a place for all students to feel welcome, find community, learn and grow, and be disciplined wherever they are in their walk with Jesus.

If your student can learn and apply these concepts, they can build a solid foundation of faith:

- ☐ **Identity:** Seeing yourself as God sees you.
- ☐ **Discipleship:** Developing real faith and sharing it with others.
- ☐ **The Basics (Spiritual Disciplines):** Learning how to follow Jesus daily.
- ☐ **Relationships:** God's purpose and provision for your friends, family, and dating relationships.
- ☐ **Truth vs. Lies:** Replacing lies from the enemy with the truth of God.
- ☐ **Wise Choices:** Choosing what's right even when it's hard.
- ☐ **God, Jesus & the Holy Spirit:** How you see God, Jesus, and the Holy Spirit changes how you see everything else.
