## **CELL PHONE POLICY**

Here is our policy in detail:

In an effort for your student to get the best out of camp and encourage a distraction free time for them to grow in their relationship with Jesus, we have created this Cell Phone Policy. Students can have cell phones on the bus ride down and back. Once we arrive at camp, students will power down their phones, and we will secure them in a safe location. Each day during “Free Time” students will be allowed to use their phone for 15 minutes to call home. They will also be allowed to use them when we get in the room for “Lights Out” at 11:00pm. If your student does not have a cell phone, they will be able to use their chaperone’s phone. Students will receive their phones on Thursday morning prior to getting on the bus.

We are believing that God is going to change our students life at camp. If you have any questions or concerns, please feel free to reach out.
